By order of the Aurora Fire Department, Department of the Fire Marshal's Office, use of cooking appliances mustbe disclosed at the time of application for permit. Each exhibit using cooking or food warming devices will be subject to an individual inspection by the Fire Marshall. Type K extinguisher is required for all deep fryers. A 3A40BC fire extinguisher must be in booth if cooking or using heating appliances, heat lamps, of jellied fuel heat sources. All heating equipment must be turned off during non-show hours.

Gaylord Rockies Resort & Convention Center is exclusive for food and beverage. Vendor product samples are permitted in 3-ounce sample sizes with hotel approval prior to event.

Please complete this request form and return to Gaylord Rockies Exhibitor Services at: gh.dengr.grexhibits@gaylordhotels.com.
